This amount may be less than what the dentist charges or Delta Dental approves and the member will be responsible for that difference.

Walmart:

While not a full participating provider within this plan, Walmart will file a claim for vision benefits on a member's behalf and accept assignment (payment) from VSP. The use of Walmart's eye care center may not result in the maximization of benefit in all cases. It will come close, offering a potential convenience for a member. When using Walmart as a provider, please ask the eye care associate for expected costs when the benefits are utilized.

Visit vsp.com for details about providers other than a VSP network provider. VSP guarantees coverage from VSP network providers only. Coverage information is subject to change. In the event of a conflict between this information and the Dental/Vision contract, the terms of the contract will prevail. Based on applicable laws, benefits may vary by location.
